Dear Mrs. Doyle,

The Norfolk Police Union takes great pride in supporting you in your campaign for Norfolk City Council Ward 2.

As you know public safety officers have always put honesty and integrity before any other attributes. We feel that you have met these expectations in the past and will meet them in the future.

For these and many other reasons we have voted to support you in any way that we can.

In solidarity,

Michael J. McKenna

Treasurer of the Norfolk Police Union
